

HIGHLY Effective Rust Removal that's Safe to Handle & Eco-friendly!

Metal Magic isn't just another rust remover—it's positioned to be an industry leader, delivering better results than any other product on the market. Experience the revolutionary rust remover that combines ease, exceptional safety, and unparalleled results.

FEATURES:

- **Removes Rust to Bare Metal:** Outperforms every competitor for exceptional results.
- **Superior Results and Reusability:** A single gallon can tackle up to 1 lb. of dry rust – twice that of any competitors.
- **Effort-Free Application:** No scrubbing. No sanding. No prep. – Just results.
- **Water-Based, Non-Corrosive Power:** Safe for users, surfaces, and the environment.
- **Safe and Versatile:** Will not harm steel, metals, porcelain, glass, plastic, rubber, concrete, masonry, wood, or paints.
- **Multiple applications:** Works as an exceptional cleaner for concrete and brick, as well as removes hard water deposits from shower heads and faucets, tubs and sinks, and more!

APPLICATIONS:

Tools, hardware, automotive parts, household items, antiques, equipment, renovations
